## INSTRUCTIONS

---

- 1- Introduce the exercise to the children, and present the objectives and outcomes
- 2 - Present the children with the mixed up copies of the definitions (see accompanying slides), and ask the children to cut them out then match them up see page 7 for answers.

## EVALUATION

- Get the children to swap their slogans and write a few lines describing the slogan their partner has produced in relation to the cyberbullying vocabulary

- When presenting the correct matches, either read out or use slides provided
- You can provide the children with the following example of a slogan, which does not include any of the above vocabulary: 'Stay safe whilst you surf'
